This is to certify that I am a current International Stock Report Subscriber and hereby instruct Kinetic Securities to, within reason, replicate all trades that are posted by The International Stock Report via the International Stock Report website on my account held with Kinetic Securities.

I wish to replicate all of International Stock Report's posted trades: (please tick which service you are applying for)

- CFD trades via "Asia Trader"
- CFD trades via "Australia Trader"
- CFD trades via "US Momentum Trader"
- CFD trades via "US Sniper Trader"
- CFD trades via "US Weekly Trader"
- CFD trades via "World Indices Trader"

I understand that there are a maximum of four trades open at any one time in Asia Trader, Australia Trader, US Momentum Trader, US Sniper Trader and World Indices Trader and there are a maximum 8 trades open in US Weekly Trader. The default auto trade leverage is 2:1 i.e. if I have \$20,000 in my account each trade will be \$10,000 resulting in total possible exposure of \$40,000 (i.e. 4 \$10,000 trades). Leverage may be increased or decreased upon request.

I understand that there are costs involved with subscribing to Auto-Trader.

I acknowledge that they are as follows:

- **Australian market CFD's: min \$15 or .1% for trades over \$15,000.**
- **US market CFD's: Min \$20 US or 2 cents per share**
- **Asian market CFD's:**
